Verschiedene Filmfiguren, welche aufeinander treffen sind nicht erst seit The Avengers (2012) ein beliebtes Motiv für neue Filme.

Dies ist aber nicht immer möglich, wenn nämlich beide Figuren vom gleichen Schauspieler gespielt werden. Welche der folgenden Filmfiguren können als einzige aufeinander treffen, da sie nicht von der gleichen Person verkörpert werden?

The Avengers (2012) is not the first movie, where different movie characters meet each other. The Alien and the Predator had to fight each other, Freddy Krueger (A nightmare on Elm street) and Jason Voorhees (Friday the 13th) were both condemned to purgatory.
